

Blackberry Trout Face (Oberon Plays for Younger People)

Kerrie sets about her daily task of preparing Mums heroin... Jakey has had enough of life in the crew... Cameron is too scared to step outside the front door... One morning, the three teenagers discover a note in the Frosties. Mum has abandoned them: they have been left home alone... A bold, gritty and funny play, which explores the universal themes of family, loyalty and ambition. With sharply-drawn characters, crackling dialogue, and plenty of humour, we follow three young people as they struggle to cope in exceptional circumstances. A perfect play for young people.
