

Diving and Snorkelling Ascension Island: Guide to a Marine Life Paradise

An isolated and unique location with caves, tunnels, lava flows, wrecks and rich marine life. This, the first detailed diving and snorkelling guide to the island is both an excellent aid to planning dives and the perfect memento of Ascension: Plan ahead: maps of sites, recommended routes and practical advice Illustrated throughout by the award-winning authors underwater photography The perfect preparation for diving and snorkelling in Ascension Includes an Index of Ascension Island Common Marine Life. Written in a straightforward, practical style, while whetting the divers appetite too - rather like a good dive briefing: DIVE magazine ...if you are planning a trip to this particular middle of nowhere, there is only one guide in town! Diver ...immerse yourself in Pauls beautiful book... for the adventurous diver who likes to get off the beaten track this is an absolute must Joss Woolf, Chairman, British Society of Underwater Photographers. This is the first time that anybody has published a detailed dive guide for the island and I know that plenty of people will benefit from it Martin Edge (from the Foreword). Paul Colley is a diving instructor, President of the Royal Air Force Sub-Aqua Association, a member of the British Society of Underwater Photographers and has won international underwater photography competitions to gold medal standard. You can see more of his work at www.mpcolley.com
