

Boys Night Out: E-Novella 7.5 (The Savannah Coven Series)

Dr. Michael Blacks world has seen a lot of changes over the past year, and falling for a witch who chats with his animal patients has been the best one by far. Hes decided to make it official, so the men associated with the coven insist on helping him celebrate. Michael is popping the question to the woman he loves, the coven has only two trials to go before the prophecy is fulfilled, and the guys want to throw him a bachelor party. Sounds like a plan. And no demon is going to stand in his way.
