

Bridal Bargains: Secrets to Throwing a Fantastic Wedding on a Realistic Budget

Wedding experts Denise and Alan Fields say it isn't necessary to spend the nationwide average of 11 months of planning and \$20,000 for a fabulous wedding. In this new edition of the bridal bargain bible, they outline specific budgets for beautiful weddings that cost a fraction of the average price. This edition includes reviews and ratings of more than 50 new bridal gown designers, tips on surfing the Web and saving on honeymoon costs, and a guide to the best online wedding bargains in the aftermath of the dot-com shake-up. The authors explode the three costly myths about wedding catering, show how to negotiate a great deal on a ceremony and reception site, and point prospective brides and grooms toward savings on invitations, flowers, wedding videos, entertainment, and more. Illustrations are also included in this latest edition of the best-selling book on weddings.
