

Bride By Design

A marriage of convenience is hardly the most romantic proposal Eve has ever received! But family circumstances, and Eves conviction that she'll never fall in love again anyway, persuade her to say I do to a man she barely knows. True, David Elliot is ideal husband material. He's handsome, talented and happy to fulfill his side of the bargain. Eve gets to please her family, and David gets to run the business. But sealing the deal with a kiss changes everything. David orders their marriage contract to be torn up and Eve to share his bed!
