

Burfee, Texas Population 7569, the town wasn't known for anything other than the chicken processing plants that gave it an odorous reputation. But townfolks sure knew all about Lurleen and Naomi. Not quite the Thelma and Louis equivalent for West Texas, the divorcees were hot-to-trot, and trot they did. From blackmailing Garth Brooks for an autograph and absconding with his young roadie for a little bit of carnal learning to chasing the eligible bachelor-owner of the local cantina (who was rumored to have a major hunk of manhood where it counted) the ladies ran roughshod through town in their own humorous and unpredictable way. These hot women were packin' in more ways than one! This is their story, and we're stickin' to it! Kamilla Murphy and Hal Begzos
