Prior to traveling to Uruguay I had a hard time finding information on the Internet and the guidebooks were mainly about facts and numbers. I was looking for a local guide or someone to point me to the directions of traveling and living in Uruguay like a local on a budget yet not compromising on comfort, convenience and luxury. So this eBook strives to give you just that! Frankly this is not an expert advice but it is our family's experience in Uruguay for two months. We made this eBook affordable so you can discover for yourself how easy, convenient, unique, beautiful and rich Uruguay is. It is known as the Switzerland of South America for a reason.
