

The Case of the Angry Mourner (Perry Mason Series Book 38)

Do birds of a feather plot murder together? The extraordinary Perry Mason never handles straightforward divorce cases, but this one is an especially strange bird. Rita Swaine is dating her sister's ex-boyfriend. Her sister, Rosalind, is married to shady insurance adjuster Walter Prescott, who has dollar signs in his eyes and ice water in his veins. When Rita's beau gallantly steps in to warn Rosalind about her heinous husband's designs, Prescott hatches a plan to prey on them all by suing for big profit. For Mason, this case should be a lark. But when a murdered man is found in the Prescott home and a nosy neighbor sings an incriminating song about illicit love and a hidden gun-legal eagle Mason suddenly finds himself defending a sitting duck.
