

The Gift: A Discovery of Happiness, Fulfillment and Love

A search for buried treasure on a nearly deserted island leads to the discovery of the greatest of all treasures: THE GIFT. A young mans lethargic life is changed when his beloved grandfather dies. A found letter leads him to an uncharted tropical island in search of buried treasure, bequeathed only to him. During his quest, he discovers the keys of happiness, fulfillment and love, in life. Unearthing the treasures, he finds THE GIFT and realizes that only by giving it away to everyone he meets can his life be complete and whole.
