

Stranded (A BWWM Interracial Billionaire Erotic Romance)

When tan and sexy comes to rescue you, all you can do is say no. Jada desperately needs a job. So when her car breaks down along the side of the road on the way to the only interview she has had in months, she is about to lose it. That is, until a sexy stranger comes along and offers her a ride. Jordan is a tan, brilliant blue eyed, white guy, on the way to work when he sees an ebony beauty standing on the side of the road, helpless. He picks her up, but little does she know that he is going to rock her world. But can she handle the secrets he holds? With no other choice she climbs up into his truck and lets him take her, on the ride of her life.
