

Calamity and Other Stories

Twelve luminous stories alive with friendship and secrets introduce a remarkable writer. Daphne Kalotay's characters confront regrets and unrealized hopes in tales tinged with gentle humor. A newly independent woman finds herself in bed with an ex-husband of long ago. A little girl gets a surprising glimpse into adulthood when she catches her mother in a moment of uninhibited pleasure. A thirteen-year-old boy contends with the unwanted attentions of a younger girl. And for two older women, a tie formed in their youth sustains them through varied twists of fate. These are dazzling intertwined tales of love, failure, and the comedy of human relationships. From the Trade Paperback edition.
