

Architect of Reformation: An Introduction to Heinrich Bullinger, 1504-1575 (Texts and Studies in Reformation and Post-Reformation Thought)

Heinrich Bullinger stands as one of the most influential Reformers and also one of the most neglected. This book is the first available in English to offer a broad introduction to Bullinger's life and theology. Architect of Reformation features contributions from the world's leading Bullinger and Reformation scholars that address such categories as theology, spirituality, ecclesiology, humanism, politics, and family.
