

Records To Riches - 3 Simple Steps To Cash In BIG Selling Your Record Collection. (00001)

People are grossly misinformed about the true value of vinyl records. As well, people are ill informed about how to determine the value of a record based upon many intricacies. Lastly, the vast majority of people coming across or inheriting a vinyl record collection are completely in the dark about where to go to determine the most accurate and up to date values for their records. The true secrets of the record collecting and reselling industry will never be revealed to you by a record dealer who comes to your yard sale or calls on your craigslist ad. Steven Guerrero's book *Records To Riches 3 Simple Steps To Cash In BIG Selling Your Record Collection* is leveling the playing field for many people who have records to sell while helping them CASH in BIG on their collection. Meanwhile all the many uninformed and unsuspecting record owners continue to lose bundles and bundles of CASH. Oftentimes the amount of cash lost soars up into the high tens of thousands of dollars. This is happening every day of the year all around the world. Innocent people are being preyed upon by record dealers and collectors who are in the know. Elderly people with little or no money in their pocket are being ripped off for THOUSANDS and even TENS OF THOUSANDS of dollars everyday all across the globe and its their own fault! Its not the fault of the record dealer or collector. Knowledge is power. In the case of records, knowledge is MONEY, LOTS OF MONEY. If you really want to be in the KNOW about the true value potential of your vinyl records then please do yourself a BIG favor and read *Records To Riches 3 Simple Steps To Cashing In BIG Selling Your Record Collection*. The book will empower you to reap the financial rewards that rightfully belong to you. And just for the record, its all in there.
