Download FREE with Kindle Unlimited! Then just write out the recipes you love in a Blank Book Billionaire blank recipe book. You can find some great options by searching My Recipe Journalright here in Amazon. Anti-Inflammatory Diet Cookbook Box Set Have you or a loved one been given the devastating news that you have a chronic disease caused by inflammation in your body? Do you realize that your diet is one of the main contributors to this inflammation? Anti-Inflammatory Diet For Beginners More than ever before what you are eating matters more than how much you are eating. Our diets are being run over with processed foods that are damaging our health. It isn't surprising because they are so quick and easy, but the reality is they are slowly killing us. Inflammation in the body is being contributed to many of our chronic diseases which means most of them are possibly prevented with proper diet. You need to have the knowledge and recipes in place to make choosing the right diet easy. What Is An Anti-Inflammatory Diet? Essentially it eliminates many of the allergenic foods that can cause inflammation in the body. It also focuses on reducing the amount of pesticide, hormone and antibiotic laden foods that are so common today. The diet focuses on whole and natural foods which are really what we should all eat anyway but through years of advertising we have been swayed to think that inflammation causing foods are somehow healthy for us. When healthy athletes promote fast food, how can we expect any different especially from young people who are influenced by them. When you eliminate foods that are overly processed, full of sugar and hydrogenated oils, you stand a much better chance of living a long healthy life. If you are used to a junk filled diet, it can take some time to get used to an anti-inflammatory diet. Start

to slowly replace your current unhealthy meals with the recipes inside this cookbook and before long you will feel like a whole new person. If great tasting food isn't enough the anti-inflammatory diet is also thought to help prevent or treat the following conditions: Alzheimers disease, Cancer, Diabetes, Heart disease, Inflammatory bowel diseases, Irritable bowel syndrome. If we can possibly prevent these diseases with diet than I say what are you waiting for? Anti-Inflammatory Smoothies. Are you finding it difficult to eat enough anti-inflammatory foods? Did you wish there was a more convenient way to fight inflammation? Anti Inflammatory Smoothies Quick & Easy. Now I could have given you the same boring smoothie recipes you find everywhere but I thought you deserved some new and exciting smoothies. Admittedly these recipes may not be for everyone but I think you are going to enjoy them. Some examples of the recipes inside are: Cashew Vinegar Smoothie, Curry Carrot and Tea Smoothie, Flaxseed Raspberry Smoothie, Roasted Chocolate Quinoa Smoothie, Orange Tea Smoothie, Walcado Swirl Smoothie, Chocolate Bean Smoothie, Cauliflower Berry Smoothie, Black Cabbage Smoothie. With over 100 breakfast, lunch and dinner recipes plus all the smoothie recipes you really have no excuse not to be inflammation free. Ready To Rid Your Body Of Inflammation?
