

## 9/11 Children

The worst attack on American soil scarred a nation, including its children. In a multi-cultural setting in a Philadelphia school, the tension in Michaels class was growing. Why cant everyone get along? Why cant Joseph control himself? When the problem comes to a head, Michael decides to take matters into his own hands. He leads his classmates to organize a club to understand and celebrate their differences toward a constructive cause. As we approach the fifth anniversary of the disaster, the 9/11 Childrens Club is one that every child and every parent should know about.
