

## Vintage Childrens Fabrics

Relive childhood memories through this collection of vintage childrens fabrics. From the popular ABCs to Mary Had a Little Lamb, enjoy more than 500 patterns in a great variety of themes, designs, and colors. Collectors, designers, and fabric buffs will find this an invaluable resource as vintage childrens fabrics have never before been explored or catalogued as extensively. Whether meant for a child's pajamas or placed on a feed sack, these beautifully designed fabrics come to life in this new book. Chapters highlight similar themes with displays of baseball, domestic rituals, displays of letters and numbers block, and various childhood points of interest. If you have a love of fabric history or nostalgia for childhood memories of yesteryear, this book is for you.
