

Honey on Your Mind (The (Mis)Adventures of Waverly Bryson)

For Waverly Bryson, life is anything but boring! And never is that fact more evident than in Maria Murnanes delightful third novel about the irrepressible heroine. This time around, Waverly faces a game-changing opportunity: an offer to turn her popular advice column into a regular guest spot on the new TV show Love, Wendy. It could be the break of a lifetime but for a few not-so-minor details. For starters, Waverlys acceptance of the job means moving clear across the country, giving up her rent-controlled apartment, and leaving behind her best friends McKenna and Andie. Oh, and theres the fact that TV host extraordinaire Wendy Davenport is none-too-pleased by the prospect of Waverly usurping her broadcast throne. Then theres Jake, Waverlys boyfriend. Hes as crazy about her as ever. His mother, on the other hand? Not so much. But Waverly wouldnt be Waverly if she didnt tackle these challenges head on, with all the zeal, good humor, and, yes, occasional catastrophe that weve come to expect from the American Bridget Jones. Witty, light-hearted, and fun, Honey on Your Mind is Waverly Bryson at her best.
