

Christopher Columbus Voyages with Son, Diego. The 1st Voyage.

CHRISTOPHER COLUMBUS VOYAGES WITH SON, DIEGO. THE 1ST VOYAGE. HERE is a story about the lives of the great maritime explorer Christopher Columbus and his son Diego. It is a type of fictional journal aimed for children to read. Columbus trials, hardship, planning and initially thwarted efforts to cross the Atlantic ocean to the Indies are discussed in full color. This is also a comical and unique look at the life and times of Spain and Europe of the middle ages. It will surprise and delight children of all ages. It will also be of interest to adults following early American history. Teachers will find it an amusing and useful, history/cultural based view and comparison with current times. Children will see that things were very different in those times; particularly technologically. One of the worlds most memorable and exciting voyages brought down to a childs level with plenty of scope for discussion and stimulating associated activities following up the 1st voyage of Christopher Columbus and his son, Diego. The journey to the Indies undertaken by Christopher Columbus took place over 500 years ago. It involved planning, ships, crew and food supplied by Queen Isabella of Spain. The beliefs, superstitions and way of life of the middle ages; along with their everyday clothing makes this books a fun learning text for early American and European history.
