

## The Road to Civil War (Spider-Man Book 12)

Collects Fantastic Four (1997) #536-537, New Avengers: Illuminati One-Shot, Amazing Spider-Man (1999) #529-531. Ripped from the pages of New Avengers, comes an explosive hidden story of Marvel's secret past, the secret history of Marvel's most secret team - how they came together and how they are ripped apart. Plus: Spideys got a new lease on life, new powers and a new costume, courtesy of his new best friend Tony Stark. So what could possibly go wrong? With clouds quickly building on the horizon, the bonds that Spider-Man now forges may very well determine his capacity to withstand a coming storm. The Marvel Universe is about to split down the middle, and the line is drawn here! You will be asked: whose side are you on?
