

## The Complete Thyroid Book, Second Edition

The only book you need to understand and treat your thyroid condition. Combining the expertise of two pioneers in the field--world-renowned thyroid specialist Kenneth Ain, M.D., and bestselling thyroid author and bioethicist M. Sara Rosenthal, Ph.D.--The Complete Thyroid Book provides all the essential information on the diagnosis, options, and treatment of thyroid disease. Completely updated with the latest research, this book provides a comprehensive look at tests, scans, and state-of-the-art therapies and treatments for every type of thyroid condition. The Complete Thyroid Book, now revised and updated, is your source for information on: Thyroid hormone and all other medications used in thyroid treatment. Thyroid disease in special populations, including pregnant women, menopausal women, infants, children, and the elderly. Nutrition, environmental issues, and public health. This second edition of The Complete Thyroid Book gives you expert advice based on the latest research.
