

## Reason 4 CSi Master (Cool School Interactus)

This interactive training DVD-ROM guides you through the key operational techniques and cool new features of Propellerheads Reason 4. Comprised of approximately six hours of movie tutorials, this unique learning tool includes not only functionality, but also production techniques, special shortcuts, key commands, and before and after audio examples. Reason 4 CSi Master takes you to the next level of software and production operation through detailed discussions of software buttons, elements and menu items, production technique demonstrations, shortcuts, and tips. If you're a new user, the Introduction topic is useful for learning set-up, first record, edit, and mix. Even the most experienced Reason users will find tips and techniques that advance their overall knowledge of this powerful software!
