

Cranford (French Edition)

Au XIXe siècle, le petit village anglais de Cranford vit au rythme des discussions autour du thé et des entorses aux convenances. Au fil des saisons, Mary Smith rend visite à ses amies et connaissances. Elle est ainsi témoin de tous les grands et petits événements qui bouleversent la société de Cranford: deuils, scandales amoureux mais aussi manque d'argent. Car ces dames de bonnes familles se doivent de dissimuler leur pauvreté sous le vernis de légèreté.
