

## Creatures: Thirty Years of Monsters

Monsters: As old as the oldest of stories, as new as our latest imaginings. From the ancient stone corridors of the labyrinth to the graffitied alleyways of the contemporary metropolis, they stalk the shadows. Leering from the darkness of the forest, jostling for space in our closets, they walk, crawl, creep and scuttle through our nightmares. Close as the clutter under the bed or the other side of the mirror, they are our truest companions. *Creatures* features the best monster fiction from the past thirty years, offering a wide variety of the best monster stories including original stories from the fields most relevant names and hottest newcomers including Clive Barker, Sarah Langan, Joe R. Lansdale, Kelly Link, China Mieville, and Cherie Priest.
