

## Torts and Criminal law Outlines For California Law Students \* e book: e book, Required knowledge - Look Inside !!

Value Bar Prep law books - 6 published bar essays 2102 February bar exam Torts and Criminal law Outlines For California Law Students - Torts are committed by one person against another while crimes are committed against the state. For both crimes and torts the most significant issue is the state of mind that induced the act. Without the required state of mind neither a tort nor a crime exists. This book teaches, illustrates and demonstrates all the major crimes and torts and prepares you for whatever the state bar of California may throw at you now or in future. These are the best outlines money can buy.
