

December Boys: A Jay Porter Novel

Jay Porter, the newest employee at NorthEastern Insurance in New Hampshire, is investigating an accident claim when he learns the teenager behind the wheel was arrested for minor drug possession and sentenced to a hardcore behavioral modification center. At the county courthouse, Jay meets Nicki, a young college intern, who tips him off to a possible scandal - first-time juvenile offenders being shipped to private institutions for political kickbacks. He learns that longtime family nemeses, Adam and Michael Lombardi, may have a stake in the scheme. Is Jays mission to help these kids a legitimate crusade? Or is his thirst for revenge driven by the guilt he feels over his own junkie brothers death? These questions conspire to tear apart tranquility and drive a wedge between Jay and his wife, Jenny. With help from new friend Nicki and a couple of old friends, Jay finds himself thrust back into a past he had hoped to leave behind, putting everything - and everyone he loves - at risk in pursuit of the truth.
