

## Outlander 1. Forastera (Spanish Edition)

Recien acabada la Segunda Guerra Mundial, una joven pareja se reune por fin para pasar sus vacaciones en Escocia. Una tarde, cuando pasea sola por la pradera, Claire se acerca a un circulo de piedras antiquisimas y cae de pronto en un extraño trance. Al volver en si se encuentra con un panorama desconcertante: el mundo moderno ha desaparecido, ahora la rodea la Escocia de 1743, con sus clanes beligerantes y supersticiosos, hombres y mujeres rudos, a veces violentos, pero con una capacidad de vivir y de amar como Claire jamas habia experimentado en su anterior vida. Acosada por los recuerdos, Claire tendra que elegir entre la seguridad del futuro que ha dejado atras y la apasionante incertidumbre del pasado que ahora habita. / Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach -an outlander- in a Scotland torn by war and raiding clans in the year of Our Lord... 1743.
