

Estonia 1:275 000 Travel Map, waterproof, GPS-compatible, REISE, 2011 edition

Estonia 1:275 000 Travel Map, waterproof, GPS-compatible, REISE This map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. Road and rail networks are easy to see on a clear base which presents the countrys topography by altitude colouring with contours and spot heights. Road network includes selected unsurfaced local roads, indicates locations of border crossings and shows driving distances on main routes. National parks and protected areas are marked and symbols highlight various places of interest, including campsites, UNESCO world heritage sites, archaeological remains and museums, beaches and marinas, riding stables and golf courses, viewpoints, natural features, etc. The map has a latitude and longitude grid at intervals of 10 and an index of place names. Multilingual legend includes English, the map is indexed. High quality German cartography.
