

## One Long Kiss (Affair Without End) (Volume 3)

I knew it the first time I saw him. Some men have that power. They instantly ignite something feral in you, whether you want it or not, and the sexual electricity is always there, in every room and every moment, from the first time you see them. An inescapable web, swirling around you until you surrender. And at that point, they devour you.~~Linda Cray Leaving Jack a second time is the hardest thing Linda has ever done. Keeping their love intact proves an even greater challenge as she embarks on a new career: road manager for the British rock band Blackpoll and the girl expected to keep the mercurial Alan Manzone from self-destruction. Building a successful career for herself fast becomes the least of her concerns. Jacks heated custody battle over his daughter continues to thwart the great love of Lindas life. Alone and heartsick and forced to stay away from Jack, she finds herself soon caught in a spinning web of lust for Alan Manzone. She wants him. She hates him. Yet there is something elusive about the enigmatic Brit that melts her heart. Linda is determined not to falter in her love for Jack while they wait for his custody battle over Chrissie to be resolved, so they can at last start their future together. But will she surrender to the burning pull of Alans pursuit?
