

Danny the Dragon Meets Jimmy

Dannys mannerisms are absolutely charming and appealing as he strolls through the pages meeting Jimmys family and friends in the MOST unusual way, imparting his delightful acts of wisdom and kindness while Skipper continues to take notes in his traveling journal for future adventures. Where are they from? Why are they here? Where are they going? Danny and his little traveling companion, Skipper, are quite the adventuresome and fun duo. This childrens book is for the young and young at heart. Written by Tina Turbin and illustrated by multi award-winning artist Aija Jasuna, this is the first story in the Danny series. Danny the Dragon Meets Jimmy is loaded with vivid illustrations and a captivating storyline, leaving anyone at any age with a smile on their face and that feel-good feeling. What other thrills will Jimmy experience with his new friend Danny and his traveling companion Skipper?
