

Darien and the Lost Paints of Telinoria

Darien is a creative ten-year-old girl who wishes to escape her dull and predictable life. She loves to read, draw, and daydream, despite her parents efforts to teach her to be practical. But when a stormy day brings Darien together with her peculiar neighbor, strange things begin to happen. Miss Mildred-or Miss Mildew, as she is called behind her back-lives across the street from Darien. Old-fashioned and stern, Miss Mildred agrees to babysit Darien for the day and shares her secret box of mysterious paints. Using the power of her imagination and her painting skills, Darien creates a doorway to another world; a world full of turmoil and unrest. She unexpectedly finds herself in the other world, caught up in a quest to find justice for dragons and humans alike. Come along with Darien on a magical adventure as she encounters bizarre creatures, confronts a bad-tempered dragon, flees from a wicked king, attempts a daring rescue, and tries to find the courage to believe in something real-herself.
