

Daughters of Fire: Heroines of the Bible

Biblical stories of valorous women--from Eve to Yael--have helped shape the human character and spirit. Rarely, though, has the essence of these heroines been revealed as poignantly as it is in Daughters of Fire. Fran Manushkins sensitive retellings of stories from the Bible and Jewish tradition portray strength and honor, but also jealousy and fear, and Caldecott Medalist Uri Shulevitzs heroic illustrations highlight the bold, passionate essence of each woman and her world. The result is a collection of tales with heroines who are, above all, human.
