The thrilling last installment of the Daughters of the Sea series is the culmination of a breathtaking saga that will steal your heart and enchant your soul. As the Atlantean Games draw near, every Order will descend upon the magical island of Atlantis; resurrecting an ancient tradition and setting in motion a fate determined centuries earlier. In her relentless search for retribution, Selene uncovers the one vulnerability capable of destroying not only Stasia, but all fifty of the Nereids. Traitors will emerge and old rivals are reawakened as Stasia discovers the shocking end of her elusive prophecy. With Fallon and Olivia still missing and an Army of Auras preparing for battle, Stasia and her Council must unlock the secrets of the Nereids and find a way to save their world before destiny intervenes. But like the Nereids themselves, even destiny is vulnerable to the sands of time.
