

## Dead to You

A powerful psychological thriller with a shocking twist from the New York Times bestselling author of the Wake trilogy. Ethan was abducted from his front yard when he was just seven years old. Now, at sixteen, he has returned to his family. It's a miracle at first. Then the tensions start to build. His reintroduction to his old life isn't going smoothly, and his family is tearing apart all over again. If only Ethan could remember something, anything, about his life before, he'd be able to put the pieces back together. But there's something that's keeping his memory blocked. Something unspeakable...
