

Dear Carolina

Frances Khaki Mason has it all: a thriving interior design career, a loving husband and son, homes in North Carolina and Manhattan-everything except the second child she has always wanted. Jodi, her husband's nineteen-year-old cousin, is fresh out of rehab, pregnant, and alone. Although the two women couldn't seem more different, they forge a lifelong connection as Khaki reaches out to Jodi, encouraging her to have her baby. But as Jodi struggles to be the mother she knows her daughter deserves, she will ask Khaki the ultimate favor ... Contains mature themes.
