

Jasmines Urban Cowboys: Sensual Awakenings (Volume 1)

BLURB After a nightmare marriage and a bitter divorce, Jasmine is ready to celebrate big time. Jaz meets Ted and Gabe, two deliciously attractive, available men. Having spent a celibate year waiting for her divorce, waking up in the arms of a gorgeous hunk after a night of hot sex was at the top of Jazs list. Either of these dreamboats would be wonderful, but which one? When she has trouble deciding, Jaz makes the decision that if either of them would be good, then both of them would be twice as good. EXCERPT The waitress cleared their glasses. Looking them over, she asked, Another round? She cringed as Miss Big Mouth said, Heck, yes. It isnt every day my friend here gets divorced. I had a stinger and she had a frozen margarita. She smiled. Celebrating, huh? They nodded. Ill see that the bartender gives you a little extra. When the drinks arrived, she took a sip through the straw like she usually did and stopped. She waved her hand in front of her mouth as if it burned. Wow, she wasnt kidding. Taste this. Brenda took a sip and drew back, whistled, and waved a hand in front of her mouth. Thatll get you going. You better nurse that. I know. One more of these and Ill be under the table. Jaz smiled. Or dancing on the table. Brenda snickered. Doing a strip tease. Jaz rolled her eyes. Yeah right. The waitress hadnt been gone five minutes before she returned, setting down duplicates of the drinks shed just served. Jasmine was about to tell the waitress shed made a mistake when she preempted her, Compliments of the gentlemen in the booth over there. You lucky girl. They turned their heads and nodded, at two familiar faces. Gabe and Ted, having their attention, smiled and waved. When they waved back, Gabe scrambled out of the booth, and headed their way. He sat down between them. Wed be honored if the two prettiest ladies in this establishment joined us. Jaz smiled and

teased playfully, So go ask them. Gabes narrowed eyes simmered with molten heat. Oh, but I just did. Brenda stared at her wristwatch. You know, Jaz, since Im engaged, Im tempted to leave you in Gabe and Teds capable hands. You want to leave? Yep, gotta go. Jasmine stared at Gabe. Would you excuse us? Gabe grabbed her arm as she rose. Ill be back in our booth when you come back. Jaz nodded, grabbed Brendas hand, and dragged her into the restroom. What are you saying? You want to leave me with these these cowboys? I thought you were going to watch my back? I am. Look, you like these guys and its obvious they like you. Im not blind. I can smell the fireworks waiting to erupt. And Id only be in the way. When Im gone, you can pick one if you want and have a fling. I cant think of a better way to celebrate than having a liaison with one of those Lotharios. Brenda laughed at the incredulous look on her face. You have the same look my eighth grade teacher, Miss Roberts, gave me when I suggested she have an affair with Mr. Phillips, the P.E. coach. She laughed nervously. You did that? Brenda nodded. Ah-huh. And did she? I think so. She got pregnant and they got married. She had trouble believing her story. Bren, youre something else. She shouldve made you her maid of honor. Then Jaz shook her head. This is different. Ive never seen these men before tonight. You think I should pick one of them and sleep with him? I would. Which one? I dont know. Theyre both hot. If you cant pick, how am I supposed to decide on one? Then dont. Now youre making sense. If youre leaving, so am I. Oh, no youre not. Thats not what I meant. If youre having trouble selecting one of them, then take both of them. Think about it. If one would be good, two would be twice as good. Why not have sex with both of them. Now that would be a celebration to dream about. She grouped the ends of her fingers together, then kissed and flicked them open Italiano style. A Tour de Force of celebrations!
