

Demon Seed

Melinda is stuck in a months-long dry spell after leaving her boyfriend. At night she dreams about a dark, preternaturally sexy stranger with glowing eyes. As her dreams grow more intense and sexy she finds her cravings begin to take over her life. But nothing will make them go away - except Him. Every night he visits her in her dreams. When her dream stranger finally reveals his purpose with her, Mel is powerless to resist. He wants to impregnate her, and he intends to make her beg for it. But now she knows: She's not dreaming - and he's not human. This 7400 word story features sexy, rough and reluctant demon sex and demonic impregnation.
