

Desperate Measures: A Novel (Port Aster Secrets)

Researcher Kate Adams has finally pinpointed the medicinal plant responsible for tearing her family apart. She's certain that discovering its secrets is her only hope of solving the mystery surrounding the disappearance of her father. Kate will risk anything to find the truth--even her budding relationship with Detective Tom Parker. But more people than she can fathom are after the plants and going it alone just might prove to be a fatal mistake. Award-winning author Sandra Orchard pulls out all the stops in this breakneck and breathtaking conclusion to the Port Aster series. Fans will not be disappointed by the surprises they find inside.
