

Diary of a Silverfish in Minecraft: Exploring the World of Minecraft: A Minecraft Underwater Adventure Short Story for Children (Unofficial) (Diary Wimpy) (Volume 3)

Silver was a silverfish that lives in the Silvery Stronghold of Minecraft, underwater. All of his kind hated the humans, but he was different. He didn't believe in any other restrictions so he decided to travel around the world and experience his own adventure. He snuck out of the stronghold and went to vast places all across the blocky world. His journey was not smooth but he sure had an epic story to tell his fellow silverfish when he returned home. Order now to read this Minecraft adventure book and see what Silver experienced on his journey! This is an unofficial Minecraft short story / fan fiction.
