

Disorder in the Court: Great Fractured Moments in Courtroom History

In Americas courtrooms, the verdict is laughter. Sit back and enjoy a collection of verbatim exchanges from the halls of justice, where defendants and plaintiffs, lawyers and witnesses, juries and judges, collide to produce memorably insane comedy. A: You mumbled on the first part of that and I couldnt understand what you were saying. Could you repeat the question? Q: I mumbled, did I? Well, well just ask the court reporter to read back what I said. She didnt indicate any problem understanding what I said, so obviously she understood every word. Well just have her read my question back and find out if there was any mumbling going on. Madam reporter, would you be so kind? Court Reporter: Mumble, mumble, mumble, mumble, mumble.
