

Doctor Who: The Eleventh Doctor Vol. 1

THE MAGNIFICENT FIRST COLLECTED EDITION OF THE ALL-NEW ELEVENTH DOCTOR ONGOING! Alice Obiefune was at her lowest ebb when the Eleventh Doctor burst into her life - she lost her mother, her job and her apartment. But it didn't take much of the Doctor's compassion to get her on board the TARDIS, rediscovering the beauty in life, one time-lost adventure at a time! From tackling an alien pet in the streets of London, to exposing a devilish mystery in the 1930s Bayou; from discovering the truth behind an austerity-hit pleasure planet to facing a shapeshifting horror in a scientific research station - every day with the Doctor brings a new, impossible, life-threatening experience! But there's a storm gathering, just out of view... One that threatens to offer both the Doctor and Alice their deepest, fondest wishes... Just hope they don't accept!
