

Dollhouse Volume 1: Epitaphs

The Rossum Corporations Dollhouse technology has gone viral with a synchronized phone call that wiped the minds of everyone it reached, turning them into mindless killers. Those who avoided the call—including show favorites Echo, Alpha, Mag, Zone, and Griff—must try to survive in the sudden apocalypse and be wary of Rossums expansive technological reach. This is only the beginning! Collects the complete miniseries.* Created by Joss Whedon!* Written by series writers Andrew Chambliss, Maurissa Tancharoen, and Jed Whedon!* Fan-favorite show continues in comics!
