

Don Juan

George Gordon Byron, 6th Baron Byron, later George Gordon Noel, 6th Baron Byron, FRS (1788–1824), commonly known simply as Lord Byron, was an English poet and a leading figure in the Romantic movement. Among Byron's best-known works are the lengthy narrative poems *Don Juan* and *Childe Harold's Pilgrimage* and the short lyric *She Walks in Beauty*. He is regarded as one of the greatest British poets and remains widely read and influential. He travelled all over Europe especially in Italy where he lived for seven years and then joined the Greek War of Independence fighting the Ottoman Empire, for which Greeks revere him as a national hero. *Don Juan* is a satiric poem based on the legend of Don Juan, which Byron reverses, portraying Juan not as a womaniser but as someone easily seduced by women. It is a variation on the epic form. Byron himself called it an Epic Satire. Modern critics generally consider it Byron's masterpiece, with a total of more than 16,000 lines of verse. Byron completed 16 cantos, leaving an unfinished 17th canto before his death in 1824. Byron claimed he had no ideas in his mind as to what would happen in subsequent cantos as he wrote his work.
