

## Chloe + Sophies Adventures of Ill Repute ~ Rio Series Bundle (A New Adult BBW and Billionaire Erotica Series)

Get this hot erotica series, with a hint of romance, in a complete bundle set! By Best Selling Erotica Author Caelia Portier! The Chloe + Sophies Adventures of Ill Repute ~ Rio Series is a 47,000-word scorcher of erotic fiction, and includes 6 hot new adult erotica stories! Not for the weak of heart, and intended for adults 18+ only. These works of fiction contain extremely graphic descriptions, including menage, and an extremely bi curious Chloe trying to find her way in the world...well, at least in Rio! If you find this type of subject matter offensive, please do not purchase this bundle. Otherwise, enjoy. (Although this Series has undertones of Romance, its a bit too hot for the Romance category!) To Rio! ~ Chloe and Sophie score tickets to the World Cup, and they are determined to make it a trip they'll never forget. But, before they can head to The Marvelous City of Rio de Janeiro, Chloes got some final business shes got to take care of with one of her misbehaving male colleagues at her Manhattan law firm. Double Teamed ~ Chloe and Sophie have arrived in Rio for the World Cup. But its very clear the girls dont have soccer - ahem football - on their minds. Out on their very first night in Rio, they run into two gorgeous Croatian men from the national football team, and the girls are ready to show these athletes how to really play. All Tied Up ~ With Sophies permission, Chloe leaves their hotel in Rio to spend an evening with Adrijan, the owner of a national football team. Adrijan is gravely concerned about the girls safety while in Rio during the world football games, and he makes an offer to Chloe that is hard to refuse. How far will Chloe go to secure the girls safety during the games? Chloe Takes Croatia ~ Chloe decides to give Adrijan, the billionaire owner of a national football team, whatever he wants, in exchange for her safety during the world football games in Rio, including a romp in the water closet at the stadium.

However, Chloes patience is already running out due to some of the teams antics. So, she and her new girlfriend Jelka decide to take matters into their own hands at Adrijans big party for his team, and the girls make themselves inseparable. The Control Room ~ After Chloes rendezvous under the sheets with the ethereal Croatian model, Jelka, Adrijan believes that Chloe must be reprimanded for her indiscretions. So, he feels compelled to introduce her to his control room. Now that Chloe has seen a side of Adrijan that she never suspected, and with her increasing concern about Jelkas well-being, this so-called vacation to Rio has become more complex than Chloe could ever imagine. We Heart Brasilia ~ After Chloe gets reprimanded in the control room for her indiscretions with gorgeous Croatian model Jelka, shes ready to do anything anything...to ensure Jelkas safety. What will she have to do to convince Adrijan?
