

## Born With a Question Mark in Your Heart (Authentic Living)

Born with a Question Mark in Your Heart continues the AUTHENTIC LIVING series by Osho with talks by the contemporary mystic during his stay in the United States. Osho says: It is fortunate that man is born with a question mark, otherwise he would be just another species of animal. This volume is a radical questioning of traditional belief systems in religious, political, and social dimensions. Here Osho encourages readers to ask questions that are immediate and existentially significant not borrowed or intellectual questions, but questions with an existential significance. Born With a Question Mark in Your Heart promotes personal transformation through experience and spirituality without organized religion. The enclosed DVD gives a direct experience of a contemporary mystic at work with his audience.
