

Drs. Mason & Stanley Clinic for Inner Health: Ediths Training ~ Book 1 (Drs. Mason & Stanley Clinic for Inner Health Serie)

Just my finger, Edith. Nothing to be alarmed about. Ill try to make this as pleasant as possible. London, 1920. Edith didnt realize that working for Drs. Mason and Stanley at their clinic for Inner Health meant her own health and bodily functions would come under close scrutiny. She was grateful for the live-in position with the two gentlemen only to discover they had demands and desires she did not foresee. Edith endures an embarrassing, thorough medical exam, a deep internal cleansing, and manual assistance from Doctor Mason to release her own internal miasma. The doctor is kind, but a strict disciplinarian, and does not spare the rod. His clinic partner, Doctor Stanley, is soon to return from his travels where hes been demonstrating his latest invention a device which Edith is promised will bring her much pleasure. **SHORT STORY:** 9,900 words. **SERIES:** Part One of Ediths journey into submission and mild age-play
