

Echo of Time: A Paranormal Time Travel

A short Irish paranormal time travel romance - Kendra O'Reilly felt a connection with the Blarney Castle as if the echoes of the past could still be heard. The guide tells her a story about the Blarney Stone being the ancient Lia Fail, one of the magical gifts from the god-like race, the Tuatha De Danann. To wish upon it, one will see where his or her destiny lies. Kendra wishes to find her one true love. She never thought she'd be whisked back to fifteen-century Ireland to find him. Cian MacCarthy, the Lord of Blarney not only possesses the gift of Irish eloquence but he also has visions of the future. He's waited for Kendra's arrival, knowing she is his soul mate. Now all he has to do is convince her she belongs at his side.
