

El paraíso perdido (Illustrated by Dore) (Spanish Edition)

El Paraíso Perdido es la obra de toda una vida dedicada a la literatura, como se desprende del paralelismo de algunas partes de la misma con otros escritos de John Milton (1608-1667). Dedicado a la política durante un tiempo de la mano de Olivero Cromwell, Milton reúne en su literatura todo el enriquecimiento que le aportan los distintos escenarios de su vida diplomática. Junta a ello su obra irradia el convencimiento pleno en la religión cristiana heredada del mensaje de su padre, un convencido católico ex protestante. Esta segunda parte la desarrolla plenamente en este poema bíblico religioso de reminiscencias dantescas.
