

## eIBulli 2005-2011

Nathan Myhrvold, coauthor of *Modernist Cuisine*, says of Ferran Adria's *eIBulli 2005-2011*, "This record of his cuisine, techniques, and creative process is invaluable both as a book to cook from, and as one of the foundations of 21st century food. The Picasso of culinary arts, Ferran Adria of the famed restaurant *eIBulli* reached an unrivaled place in the food world between the years 2005 and 2011. During this intensely fertile period, Ferran and his team challenged the way we think about cuisine and altered our understanding of the creative process itself. The seven volumes in this stunning catalogue raisonné comprise the first and only window into *eIBulli*'s final and most exceptional years. With 2700 pages, 1400 color photographs, 700 recipes, and an elegant acrylic presentation case, *eIBulli 2005-2011* is as much an object of beauty as it is a chronicle of Ferran's transformation from admired chef to true genius."
