

Enders Game War of Gifts One-shot

Creative Director ORSON SCOTT CARD
Written by JAKE BLACK Pencils & Cover
by TIMOTHY GREEN II Zeck Morgan
was raised by his minister father to be a
pious, God-fearing child, devoted to his
church. Unfortunately, when the
International Fleet decides Zeck is a
candidate for training in Battle School,
they tear him from his home and prepare
him for war. Zeck refuses to participate in
the schools war-games due to his pacifist
religious beliefs. When he sees another
student celebrating Christmas--seemingly
violating Battle Schools rules against
religious practice--he raises an uproar that
may tear Battle School apart. Can even
Ender Wiggin calm this furor? Find out in
this double-sized adaptation of Orson Scott
Cards Ender Universe novella, War of
Gifts.
