

Everything Forbidden (Albright Sisters Series)

For summers Miranda Albright has watchedaghast, yet shamefully titillatedas her wicked neighbor Ethan Hamon, the notorious Earl of Rothschild, entertained a succession of lovers on the grounds of his estate. Now that her father has passed on, leaving behind a mountain of debt, Miranda must do the unthinkable. For Ethan has promised to sponsor her younger sisters, financially and socially, at a scandalously dear price: Miranda must offer herself to him completely for three full months, with no remorse and no restraints. Ninety days and nights of unbridled sensuality await her in the arms of a rogue who views her submission as no more than a grand erotic game. But neither Miranda nor Ethan realize that fire blazes behind her innocent blush. And once her passion is unleashed by his lips and his touch, it is the student who will school the teacher in the ways of forbidden pleasure ... and love.
